### **Mission Statement**

The mission of the St. Paul the Apostle School Foundation is to provide leadership and funding for projects, programs, equipment, materials and services which will have a direct impact on the development of the whole child and that are outside of the annual school budget. ### **A Very Special Morning...**

On May 11th, we held a special assembly outside on the yard. After announcements, the salute to the flag and a beautiful rendition of the National Anthem by Dalton Fitzpatrick (7th grade), the students, faculty and parents got to witness the unveiling of a new plaque honoring Sister Stella and her dedication to our school. It also unveiled the new logo for the Sister Stella Foundation. The children were dismissed to their classrooms and VERY excited to eat their Krispy Kreme donuts! It was a very special morning indeed.

The plaque will take up permanent residence near the garden at the front entrance of the school. Please be on the lookout for it!

Thank you to all who came out and shared in this special morning for the St Paul the Apostle School Community. Special thank you to Robert Davis for his vision and hard work in getting the plaque made.
